

Driver Message: Help Prevent the Spread of COVID-19. Self-report.

During the spread of this worldwide health crisis, it's VITAL that our drivers inform their managers, supervisors, or Human Resources Business Partner (HRBP) IMMEDIATELY if they have shown any COVID-19 symptoms or have been exposed to anyone who has tested positive for COVID-19.

In light of our first driver case of COVID-19, we can't emphasize this enough. When our drivers self-report, they will be given options on how to proceed during their 14 days of isolation. Their job will NOT be in jeopardy. Our primary concern is their health and safety as well as that of those around them. We're on their side.

This pandemic is spreading faster than any of us could have anticipated and we all need everyone's help to keep it from growing even more.
